HEAR FROM PREVIOUS PLAYERS

"I started the game as a student and quickly realised this wasn't just another internship. Along the way, I unlocked recruitment skills, gained onboarding experience, and collaborated with different teams across the organisation. Every challenge helped me earn new experience points, and every project gave me the opportunity to grow. By the end of the game, I had gained valuable real-world HR experience and a clearer direction for my future career."

★★★★★ Would definitely play again. - **HR Intern Player**

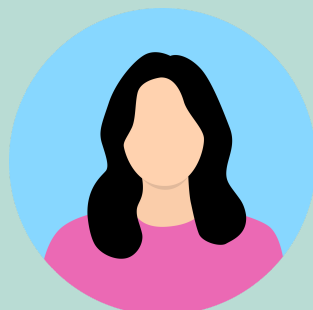

"Every turn of my internship helped me unlock new skills. Through ad hoc projects, I gained hands-on experience with Excel, Business Central, and real business operations. Working closely with my team also strengthened my communication and collaboration skills."

Achievements Unlocked:

- +20 Excel Skills
- +25 Team Collaboration
- +30 Communication Skills
- +50 Real-World Experience

★ 5/5 – A great game for learning, growing, and making an impact." - **Finance Intern Player**

"The game brought a new challenge and learning opportunity. From supporting APAC impact assessments to preparing regulatory documentation, I gained valuable hands-on experience while working closely with cross-functional teams such as SCM."

I've gained:

- +50 Regulatory Documentation skills
- +50 APAC Exposure
- +30 Cross-Functional Collaboration
- +100 Attention to Detail

★ 5/5 – Every challenge helped me level up my skills and gain valuable real-world experience - **Regulatory Affairs Intern Player**
